

The Texas State Legislative Board/ Brotherhood of Locomotive Engineers and Trainman 2026 General Elections Endorsements.

The No Action currently are races that the TXSLB/BLET are not endorsing anyone in the General elections.

The TXSLB/BLET will never tell anyone who to vote for. We hope that all of our members are registered to vote and exercise their rights at the polls. Again, this is not a list of who to vote for, this is a list of endorsements from the TXSLB/ BLET with Candidates that support rail labor issues and have supported our issues in the past. All that we ask from the Texas State Legislative Board is that we take our fight to the ballot box and **VOTE**.
